12. [REDACTED] Frank Slatinshek, Chief Counsel, House Armed Services Committee, called for assistance in putting together a brief paper for the use of the Speaker, Chairman Melvin Price (D., Ill.), and others who will be traveling to the Soviet Union, Yugoslavia, and Rumania, covering a number of areas concerning Soviet and U. S. military presence in the Indian Ocean, the possibility of negotiating some limitation on that presence, and the possible reasons surrounding the rejection of such a proposal by the Soviets to Senator Gary Hart (D., Colo.) and others. I said some of the questions involve policy and defense matters and he said he would go to State and Defense on those aspects. He will need something early next week and [REDACTED] is following up on the details with Mr. Slatinshek.
